PARALLEL INDIVIDUAL POCKETED SPRING SYSTEM

Multi-layers of superb quality materials like ultra-premium grade polyester fiber padding with ultra excellent loft and resiliency for ultimate comfort and air ventillation.

Fabric is treated with silpure to ensure long-lasting freshness to the mattress and helps prevent health problems.

Extra high individual pocketed spring ultra contour supports your body natural curve and gives you a truly luxurious experience when you sleep.

The luxurious pillow-top gently contours to your body and automatically adjust to the different pressure points of the body. This allows you to be fully supported during sleep and provides you with maximum comfort.
